the oxford handbook of social psychology and social justice spans cultures and disciplines to highlight critical paradigms and practices for the study of social injustice in diverse contexts this book addresses injustice along such lines as race ethnicity gender sexual identity and social class it also addresses pressing issues of globalization conflict intervention and social policy

this textbook will familiarize readers with some of the most pressing solidarity and social justice issues in contemporary societies ongoing and emerging inequalities along the lines of gender age socio economic status ethnic background and sexual orientation challenge the solidarity underlying societies resulting in complex questions of social justice moreover several global challenges such as digitalization climate change and the covid 19 pandemic challenge solidarity and social justice in new ways how

do societies respond to these enduring growing or changing inequalities do these challenges lead to an expansion or an erosion of solidarity in an us versus them rhetoric and to what extent do societies differ in their social justice values and hence the acceptance of social inequality taking a sociological psychological and political philosophical approach to these topics this book offers state of the art theoretical and empirical contributions from globally recognized scholars in sociology psychology and political philosophy providing a unique interdisciplinary approach to understanding solidarity and social justice in response to social inequalities in contemporary european societies

we were excited with the prospect of writing the second edition of this book but as we embarked on this journey our hearts became heavy and deeply saddened as we witnessed multiple social injustices in our community the nation and the world we have rewritten this introductory chapter a number of times as these injustices occurred aware that these events impacted ours and others personal and professional lives and subsequently our writing astoundingly each violation of human rights and social and racial justice was as profoundly devastating disturbing and shocking as the one that proceeded the injustice one month one week one day or even one hour before

thought leaders examine social justice counseling from a global perspective in the latest edition of this pioneering book part 1 examines the historical and contemporary context of social justice counseling part 2 presents ideas for promoting social justice and challenging oppression and marginalization with individual clients and communities topics in this section include perspectives on peace violence and conflict recommendations for global initiatives in school counseling advocacy for decent work promoting gender equity fighting racism and implementing social action strategies with lgbtq communities older people people with disabilities and undocumented immigrants part 3 contains chapters on the role of neuroscience in advancing social justice and infusing social justice perspectives in ethics research and counselor training this third edition could not come at a better time given the current national and global political climates lee and his colleagues raise the bar challenging counselors to move from simply understanding social injustice to engaging in actions that improve systemic inequities the magnitude of this charge cannot be ignored this text should be mandatory in every counselor education program in the united states and across the globe the time is now counselors must take the lead by leaning in and changing the world one person at a time one community at a time and one nation at a time colleen r logan phd fielding graduate university courtland lee continues to be a leader in helping to advance social justice in the counseling profession this book builds on previous editions by offering new and emerging strategies for implementing social justice with clients and communities it pushes the limits of what is possible when counselors incorporate social justice into their practice manivong j ratts phd seattle university this text provides crucial information on how counselors can engage in social justice work throughout their practice research and advocacy activities to not only become effective change agents but also transform how we see ourselves and the world anneliese a singh phd university of georgia requests for digital versions from aca can be found on wiley com to purchase print copies please visit the aca website reproduction requests for material from books published by aca should be directed to publications counseling org
